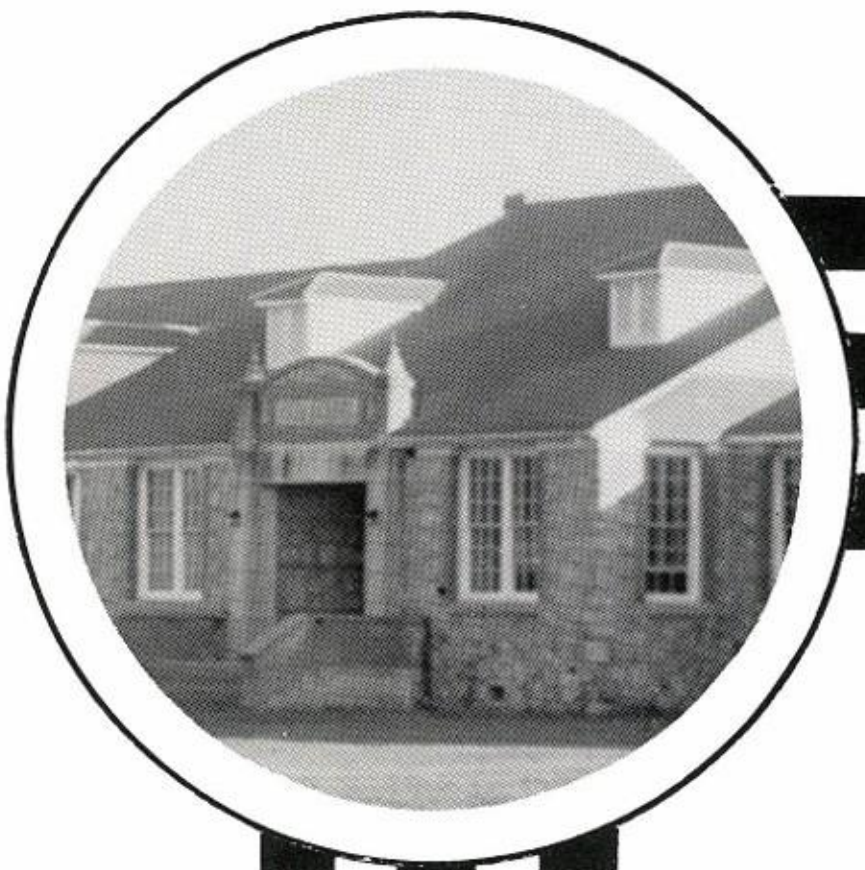
NEW BOSTON HIGH SCHOOL

NEW BOSTON, TEXAS



FOREWORD

We, the Annual Staff, are proud to present to you our 1963 PINE CONE. This book has caught glimpses here and there, so that in years to come the activities of this school year at New Boston High will not be dimmed and will not fade from memory.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '63, we shall be content, knowing that we have done the thing we were called upon to do.

PINE CONE STAFF

Gary Cregg - Editor

Wanda Williams - Co-Editor

Because she has gained the admiration and respect of her students; because of her unconquerable school spirit; and because she has contributed so much to the rating of New Boston High School, the 1963 Annual Staff dedicates this, the Pine Cone, to our beloved friend and teacher, Mrs. Hildreth Pirkey.

Handsome??

SENIORS: 1962-63

Your graduation from New Boston High School is an important step in your preparation for living a full and useful life, but it should not be the final step in your educational program.

Anyone who stops learning is old, whether this happens at eighteen or at eighty. Anyone who keeps on learning not only remains young but becomes constantly more valuable, regardless of physical capacity.

It is my sincerest wish that the education you have received in this school may have been of such a nature that it will fulfill your future plans.

You have represented this school well, and my desire is that you continue this fine spirit throughout life.

You have reached another plateau in your learning process, but do not be content with your success. Turn your eyes to higher ground. The height you reach will not come suddenly, but it will last. You have represented this school well, and I am happy to send you forth as its product.

We have now attained the highly regarded classification of JUNIORS. To most of the students it does not mean much except that next year we will be seniors or that there is just one more year of high school left. One thing that we are not especially proud of are those lovely Monday mornings when every Junior stoops and bends to pick up the papers left on the football field from the football games.

The year began with a bang! So many shoes had to be shined; so many teachers had to be faced.

In the adjustment we became accustomed to the long halls and our loss of both superiority feeling and our "chewing gum!"

The New Boston TALA has had a very busy year! Lynn Addison served as District VI president and Kay Longino, corresponding secretary. The District VI meeting was held in New Boston, November 3, 1962. Miss Grace Cowley played organ music for the pre-registration period, the coke break, and the luncheon hour. Travis Tyer, Young Adult Dept., Dallas Public Library was the principal speaker. The largest crowd ever to attend a District VI convention registered, 302. John Crain was elected District VI Treasurer for the 1963-64 year. Lynn and Mrs. Longino, Librarian, attended the Fall State Executive Board meeting in Ft. Worth. The State Vice-President asked the New Boston Chapter to present "Texas under the Confederate Flag" as a part of the Theme "Texas - Under Six Flags." This program was presented at the Friday afternoon meeting of the State TALA Convention in Ft. Worth, February 14-15-16. The New Boston Chapter nominated John Crain for State Vice-President and President-elect. John was unaminously elected. The New Boston TALA chapter has had three state officers in the last 8 years. Glenda McCord, Historian; Bobby Prange, Parliamentarian; John Crain, Vice-President, President-elect. Lynn Addison also served on the State Resolutions Committee. The chapter is proud of this record. John is the second boy to be elected President of the State TALA.
